**MAHATMA NIGHT DEGREE COLLEGE OF ARTS AND COMMERCE**

Chembur Naka, Mumbai 400071

**Perspective Plan for 2018-19 to 2022-23**

**1. To undertake Minor/ Major research Projects**

The IQAC of the college plans to encourage the faculty members to undertake Minor and Major Research Projects. The Research and Development Committee will be formed to guide the faculty members in this regard. The said committee is expected to make the members aware about the various projects funded by Government and Non-Government agencies.

**2. To introduce Certificate/ Add-on courses**

The college always tries to make students industry ready by offering soft skills, personality development training programmes. The IQAC, with the collaboration of industry, academic and non-academic institutions intends to start Certificate/ Add-on courses in addition to the regular curriculum.

**3. To organize workshops/ conferences/ seminars with funding from Government and Non-Government agencies**

The IQAC and various departments of the college plan to organize workshops, seminars and conferences at national and international level. Further, it is also planned to conduct the same with sponsorship from Government and Non-Government agencies. The IQAC would encourage the teachers and students to undertake quality research work.

**4. To undertake collaborative activities through MoUs**

One of the plans of the IQAC is Brand Building of the institution for which the IQAC intends to enter into MoUs with various recognised and reputed institutions and bodies from different areas. The collaborative activities will focus on certificate courses, career guidance and opportunities, placement, faculty and student exchange, gender equity and gender sensitization, environmental sustainability etc.

### **To organize training programmes for teaching and non-teaching staff**

Quality enhancement is one of the objectives of the IQAC. To achieve the same with respect to teaching and non-teaching staff members, the IQAC plans to organize Faculty Development and Training Programmes.

#### **6. To introduce Post Graduate programme (M.Com. in Advanced Accountancy)**

The college intends to introduce the Post Graduate programme, M.Com. (Advanced Accountancy). It has been observed that, the students prefer the night colleges to pursue post graduate degree so that they can work in the day time and attend the lecture in the evening time. The IQAC would prepare the Feasibility Report to apply to the University of Mumbai for the same.

#### **7. To start Ph.D. Research centre**

After the introduction of post-graduation programme, to encourage the quality research the IQAC plans to start the Ph.D. Research Centre in the subject of Commerce (Business Policy and Administration) under University of Mumbai.
