

Mahatma Education Society's

MAHATMA NIGHT DEGREE COLLEGE OF ARTS AND COMMERCE

Chembur Naka, Mumbai 400071

Perspective Plan for 2023-24 to 2028-2029

1. To undertake measures to improve results of final year students

It is observed that, after the COVID-19 pandemic, the performance of the students is not up to the mark. Thus, there is a need to undertake the measures to improve the same. The IQAC along with the teachers to make strategies for conducting intensive coaching, regular class tests and internal assessment etc.

2. To introduce Certificate/ Add-on courses

The college always tries to make students industry ready by offering soft skills, personality development training programmes. The IQAC, with the collaboration of industry, academic and non-academic institutions intends to start Certificate/ Add-on courses in addition to the regular curriculum.

3. To apply for Autonomous status

The Autonomous status allows the institution to introduce the courses and to frame the syllabus as per the requirement of the stakeholders. Thus, the IQAC would recommend the CDC to apply for the Autonomous status of the institution.

4. To introduced Multi-Disciplinary Programmes

The National Education Policy 2020 emphasising on the Multi-Disciplinary approach has been already implemented, the single stream college like us needs to introduce the courses for perpetual succession of the institution.

5. To create MOOC courses

The IQAC would like to encourage the faculty members to create MOOC courses. This may give the opportunities to teachers to explore to the new avenues for content development. This

will also be benefitted to them for CAS promotion. Further, free and quality contents will be available to the students as well.

6. To develop an improved system for monitoring the attainment of POs and COs

The IQAC for the effective curriculum planning, implementation and attainment of programme and course outcomes would plan for the improved system of monitoring and evaluating the programme and course outcomes.

7. To undertake Major Research Projects

To update the knowledge in the field of research thereby enhancing the quality of research work, the IQAC intends to encourage the teachers to undertake Major Research Projects sponsored by renowned Government and Non-Government agencies.

8. To encourage for quality research publications

The faculty members have been publishing research papers in UGC CARE listed, Peer Reviewed journals with Impact Factors. They are continuously encouraged to publish their research content in SCOPUS, ABDC indexed journals. The IQAC will also take the initiative to increase the number of citations of their research work.
